Address:

375 South 4th St., Coos Bay, Downtown, Coos Bay

Price:

50.00 \$

Front and Rear Husky Mud Guards. New, in original packaging and never installed. For 1999-2006 Chev/GMC trucks and Suburban/Tahoe/Yukon. For vehicles without OEM flares. These are rigid, molded mud guards - not mud flaps. Paid \$85 new. Will take \$50. My tires & wheels were too wide for these to cover. Best for standard wheel/tire size.
